

NEW

Quick Changeable Solid Carbide Head for Multiple Milling Process

Improved thread profile for high secure and precise interface ensures good performance in roughing & semi finishing

Size Range MM: Ø10, Ø12, Ø16, Ø20

Features:

TruCut Solid Head Mills with ability to change used Head instead of complete tool

Benefits:

- ✓ Increase Flexibility
- ✓ Maximize Productivity
- ✓ Minimize Tooling Inventory

Available Types : Flat, Ball, Corner Radius, Chamfer & Edge Rounding

Solid Head Mills

Carbide Head Shank
